INVITATION

Nordic-Baltic U23 Championships 2018

Dear Nordic and Baltic friends,

We have the great pleasure to wish your Federation welcome to the traditional Nordic U23 Championships which will be organized **on August 11th – 12th, 2018 at Gavlehov Stadium in the City of Gävle, Sweden.** The organizer of the Championships is the leading athletics club of the region, **Gefle IF.**

Gävle is situated 170 km North of Stockholm, at the coast of the Baltic Sea, and the travelling time from and to Arlanda Airport is about 1h 45min by train or bus.

The Championships will be organized according to the programme, rules and financial conditions explained **in the [Nordic Handbook](#)** programme, Chapter 3.2 for the Special Regulations of the U23 Championships.

Important:

The organizers would very much appreciate receiving information about your preliminary plans (approximate number of competitors and team officials, travelling details, plan for transporting the poles, etc.) not later than June 30th.

The Nordic Handbook:

3.3.2 Airport-Venue-Airport The LOC is responsible to make sure that the visiting

teams also get from the official Airport/Train Station to the venue of the competition (to the hotel). The LOC is responsible for the transport from the official Airport/train station at no extra cost for the participating teams. However the included transport must only be one per participating team (nation), if there are interests in more transports the cost of that transport shall be paid by the participating team but organized by the LOC.

If the official Airport/Train Station lies more than one and a half hour away from the venue then the transport may be paid by the participating teams.

We can organize a transfer bus from and to the airport if you wish, at your expence. Please inform us as early as possible and at the latest on July 10th.

We organize a shuttle bus from the local train Station in Gävle to your hotel.

Also a shuttle bus between the hotels and and the venue, and back.

We also organize **transportation of the poles** from Arlanda Airport to the venue, and back to the airport after the competition.

You can find relevant information about trains from Arlanda Airport to Gävle in this link: [Arrival August 10th - Departure Agust 12th](#)

You can find all the relevant information in the organizer´s website:

[Nordic Baltic U23 Championship 2018](#)

Don´t hesitate to contact us if there are any questions concerning the Championships. See contact details in the end of this letter.
